

Skyline Mountain Special Service District

Resolution #2013-4
Booster Pump Restriction

The Skyline Mountain Special Service District, meeting in its regularly scheduled Board Meeting on 27 December 2013, hereby adopted the Booster Pump Restriction Resolution to be effective March 1, 2013 as follows:

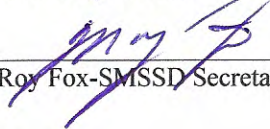

In accordance to the Sanitary Survey and to allay any back-flow contamination concerns to the water system, there shall be no booster pump hook-ups to the culinary water system.
