

**Financial and Compliance Self-Evaluation Form for  
LOCAL GOVERNMENT ENTITIES  
with Total Annual Revenues & Expenses Less than \$350,000  
For years ending June 30, 2021 and later**

---

**SECTION 1. BACKGROUND:** Governing bodies are responsible for ensuring that entity resources are used in an efficient, effective, and lawful manner. As such, governing body members should take a proactive role in monitoring and evaluating the entity's financial and compliance processes.

The Office of the State Auditor (OSA) developed the following procedures to assist governing bodies with:

- improving or implementing good business practices;
- complying with policies, procedures, and laws; and
- limiting the potential for misuse of resources.

**SECTION 2. INSTRUCTIONS:**

***This self-evaluation must be completed by a member of the governing body (Evaluator)***, such as a town council member or district board member, **who does not handle the entity's finances**. For example, in an entity with only three board members where the board chair also serves as the chief administrative officer, and the other two board members serve as the clerk and treasurer, the board chair would be the Evaluator and perform the procedures on this form. For procedures and questions where 'financial staff' are referenced, using the previous example, 'financial staff' would be the board members who serve as the clerk and treasurer. Otherwise, financial staff are those individuals who are charged with maintaining the entity's finances.

The Evaluator will examine financial documents (see Section 3 below for a list of documents), inquire with financial staff, and then address the form questions. The questions are designed so that "No" responses indicate weaknesses or noncompliance. **For all "No" responses, the Evaluator must provide, in the designated column, a corrective action plan that will remedy the weakness or noncompliance going forward.**

We anticipate the time to complete this form to be 4 to 8 hours; however, completion may take only 2 hours if the entity is very well organized. **The completed form is required to be submitted to the OSA within 180 days after the fiscal year end as part of the annual reporting package via our reporting website:**

[reporting.auditor.utah.gov](http://reporting.auditor.utah.gov). Please note that your uploaded form will be available to the public, and the answers provided on this form are subject to audit by the OSA or its designee.

NOTE: The entity may choose to contract with a CPA or other finance professional who does not handle the entity's finances to complete this form. Access the *Approved Vendor List* at: [resources.auditor.utah.gov](http://resources.auditor.utah.gov).

For additional assistance understanding this form, please contact Seth Oveson at 435-572-0440 or [soveson@utah.gov](mailto:soveson@utah.gov).

**SECTION 3: DOCUMENTS NEEDED TO COMPLETE THE SELF-EVALUATION PROCEDURES**

To reduce the amount of time in completing this form, the Evaluator should obtain the following documents **before** performing the self-evaluation procedures:

1. Written financial policies and procedures.
2. The original budget, any amended budgets, and the final budget.
3. Newspaper notices or information from the Utah Public Notice Website ([pmn.utah.gov](http://pmn.utah.gov)) of all budget hearings.
4. The year-end financial report (also referred to as the "financial statements" or "Financial Survey").
5. The accounting records worksheet—for example, the check book register; the ledger; or transactions maintained in a spreadsheet, QuickBooks, or other electronic software.
6. Copies of all financial reports presented to the board/council during the year.
7. Copies of bank statements and bank reconciliations for all entity accounts for the entire fiscal year.
8. Copies of all cash receipt logs or receipt books for the year.
9. Copies of all credit card or purchasing card statements for the entire fiscal year.
10. Board/Council meeting minutes for the year, including budget hearings.
11. Copies of the Treasurer's Fidelity Bond documents (see question 32 for more information).

**SECTION 4. PROCEDURES & QUESTIONS:**

- Every question must be marked as either “Yes”, “No,” or “N/A” if appropriate.
- For any “No” responses, describe how the weakness will be corrected in the comments / corrective action column. Please attach any additional information as needed to detail the corrective action.
